Subject: Integration with ABDM- reg.

We appreciate the participation of your organisation in the Sandbox of Ayushman Bharat Digital Mission (ABDM). We are glad to inform you that your solution/product '**Renaissance Health Enterprise Suite (RHES)**' is now integrated with ABDM for the following capability: -

1. ABHA number creation and capture & verification for seamless patient registration.
2. Building Health Information Provider (HIP) services to share digital records via Personal Health Records (PHR) app
3. Developing Health Information User (HIU) services to provide view of patient's medical history to authorized healthcare workers with complete consent.

Please note that this letter signifies the success of initial integration. This letter does not validate the compliance to the changes that must be regularly and promptly incorporated.
You may use the "ABDM-integrated" logo on those modules of your product which have been integrated with ABDM.

Yours sincerely,

(Kiran Gopal Vaska)

Disclaimer: Please note that this letter of integration reflects achievement of a milestone in the integration process with ABDM. Unless otherwise expressly agreed in writing, National Health Authority, ABDM and its affiliates (collectively "ABDM") are not in any way associated with the Integrated Organisation or responsible or liable for the goods and services offered by them or for anything in connection with such integrated organisation. ABDM does not endorse or approve and makes no warranties, certifications, approval, authorisation, representations or undertakings relating to the content published in public domain by the Integrated Organisation. The purpose of this letter is only to confirm the fact that the product whose integration was initiated has now been successfully integrated.
